CITY,

DEDICATION

To you, the alumni of Westport High School, we dedicate the Herald of 1938. The ideals and the scholarship for which Westport stands are a legacy from you, the hundreds of graduates who have preceded us. Because of what you accomplished and are accomplishing, the name of Westport is almost synonymous with attainment. It is our wish that we may maintain and add to our noble heritage.

Dear friends,
 It has been
 a pleasure serving
 you this year.
 I am sure you have
 made this year and
 even better next
 year. Lots of luck and
 success
 till we meet
 again.
 Madeline Williams

Good luck to
 Bills one & only.
 M. Warner

ACKNOWLEDGMENTS

The staff wishes to express deep appreciation to the following people for their assistance in the production of the 1938 Herald: Mr. Robert Maplesden of Burger-Baird Engineering Company; Mrs. Sheets of Harper's Studio; Mr. Arthur Lowell of The Lowell Press; the members of the faculty, particularly Miss Wilhite and Miss Huhn; Mr. Robert Reed of the Kansas City Star; Martha Ingalls; Harriet Bundren; and the amateur photographers of the Candid Camera Club.

FACULTY

PRINCIPAL

D. H. HOLLOWAY

Pd. B., Central Missouri State Teachers' College

B. S., M. A., University of Missouri

Mr. Holloway is completing his ninth year as principal of Westport High School. His fine ability, his unusual understanding and tact are recognized and respected by both the faculty and student body. Westport is proud to have such a man for the leader in carrying on the school's traditions.

VICE-PRINCIPAL

N. B. MILLER, JR.

A. B., Westminster College
B. S., University of Chicago
M. A., Columbia University

Mr. Miller has ably served as Vice-Principal of Westport High School for six years, filling a difficult position with efficiency and fairness. Westport is indeed fortunate to have a man of Mr. Miller's ability in this office.

WESTPORT P. T. A.

The Westport P. T. A. is certainly to be congratulated on the fine work they have done this year; great respect has been incited among the students for their organization.

As usual the P. T. A. completed an active year. One of the most unusual activities of this group was the presentation of "Westport On Parade," which was given for the students and their parents to show them exactly what activities are carried on in this high school. This program presented a clever and true picture of "life at Westport."

The most outstanding and popular activity of the P. T. A. this year was the series of dances given for the student body. Several dances were held in the beautiful Little Theater in the Municipal Auditorium; others were held at the Athenaeum. However, at both places large crowds attended and everyone enjoyed and looked forward to these informal monthly affairs.

The student body realizes that Westport has the most active P. T. A. group in the city and wishes to express its appreciation to this loyal organization for the many good times provided. An extra "thanks" goes to Mrs. S. P. Robins who has so ably served as president of the group the entire year, an honor seldom conferred on one person.

FIRST SEMESTER STUDENT COUNCIL

The Student Council is an important and essential organization of Westport. Its purpose is to create an opportunity for closer cooperation between students and faculty, to foster worthy school activities, and to provide a forum for discussion of questions of interest to the school. The administration of 1937 showed merit by fulfilling these duties.

The Council formed a new alliance of cooperation with the P. T. A. The latter was aided in its membership drive, in its dances, and in sending messages to students.

A successful campaign for good conduct at student gatherings was promoted and school codes were drawn up.

The officers attended the first inter-school council meeting held at East High, where ideas were exchanged by the several student governments.

Finally, many general improvements were made about the school.

Thus, a successful year was had, thanks to the co-operation of the student body and the work of our adviser, Miss Shelley.

SECOND SEMESTER STUDENT COUNCIL

Another successful year for the Student Council has come to an end, leaving behind many reminiscences of school dances and other all-school affairs.

Among the accomplishments of the Council appears a set of rules governing discipline and manner in assemblies. Although many contended that programs were not of the proper calibre, their contention proved fallacious after student behavior improved. Immediately the programs improved, too, thereafter featuring actors, musicians, speakers and other interesting celebrities.

The "Hi-Larities" ticket sale was sponsored by the council, and the show proved a greater success than in previous years. Large crowds of students attended the monthly P. T. A.-Student Council dances which always proved enjoyable. The dances were given in the Little Theater of the Municipal Auditorium.

A set of rules for behavior at interscholastic contests also was drawn up, resulting in cessation of vandalism, both at the games and on the street cars.

In summary, one truly can believe that the Student Council proved a tremendous asset, and has stabilized itself to the point where it always will be the main body in Westport's student government.

MONITORS

Intelligence, tact, firmness and loyalty are leadership qualities which have characterized our MONITOR Group this year.

Thus, the largest service organization of Westport, consists of ninety-five members whose minimum scholarship standard is higher than that of any literary club.

The firm but tactful enforcement of simple regulations necessary in a large group, is no easy task. In their duties, both agreeable and disagreeable, the monitors have shown a high degree of friendliness and efficiency that deserves the appreciation of faculty and students.

Again the oldest of the boys' literary societies in Westport has completed a truly successful year. Clay Literary Society has striven to be outstanding in

forensic and social activity, as well as attempted to put the ideals and aims of the club on a literary basis.

Clay feels, of course, that any constructive progress it has made toward the attainment of these ends is due primarily to the congenial guidance of its adviser, F. N. Banister.

The coveted honor of beauty queen was given to Mary Elizabeth Gay because of her personality and charm.

The club finds reward for the progress made throughout the entire year in the fact that each of its members can earnestly say, "I am proud that I am a Clay!"

The members of Promethean Literary Society are proud of their club activities for the year. We partic-

ipated in the Inter-Society Literary Contest and conducted Literary Forums within our own club. Among our members are the President of the Junior Class, members of the Senior Business Committee, and members of the Crier Staff. One of the roles in the Spring Play was played by a Promethean. Many members rank high scholastically.

Our Beauty Queen, Winifred Aitkenhead, was chosen not only because of her beauty, but also because she typifies the ideal Promethean. A precedent has been set—that of having a Beau Brummel. Promethean's Beau Brummel this year is William (Bill) Launder

Our adviser, Miss James, has been invaluable in helping us maintain our high standards.

The Irving Club has again finished a very outstanding year in Westport. During the year the programs

were planned with the purpose in view of teaching the members to have a greater interest in literature, to further the study of parliamentary law, to furnish opportunities for public speaking, to provide a forum for discussions, and to foster a finer friendship among the members. By fulfilling these aims we have lived up to the ideals of Irving. This has further been done by having as members many of the students most outstanding in leadership and scholarship.

Miss Elizabeth Anne Martin was chosen Beauty Queen not only because of her beauty but also for her charming personality.

We are also proud to have again had for our sponsor Mr. Ward, to whom we extend our gratitude for his faithful work and guidance in Irving.

The Round Table Literary Society has the distinction of being one of the two oldest clubs in Westport. It is the only literary club composed of both boys and girls.

The members of this club have distinguished themselves in scholarship, debating and sports. We were fortunate to have the treasurer of the senior class as our president.

The programs for our meetings were literary pieces well suited for a literary club. The club held one dance this year in the spring. Mary Elizabeth Thompson was selected Beauty Queen.

The club was very fortunate in having Miss Collins as adviser. She helped maintain the excellent standards of Round Table.

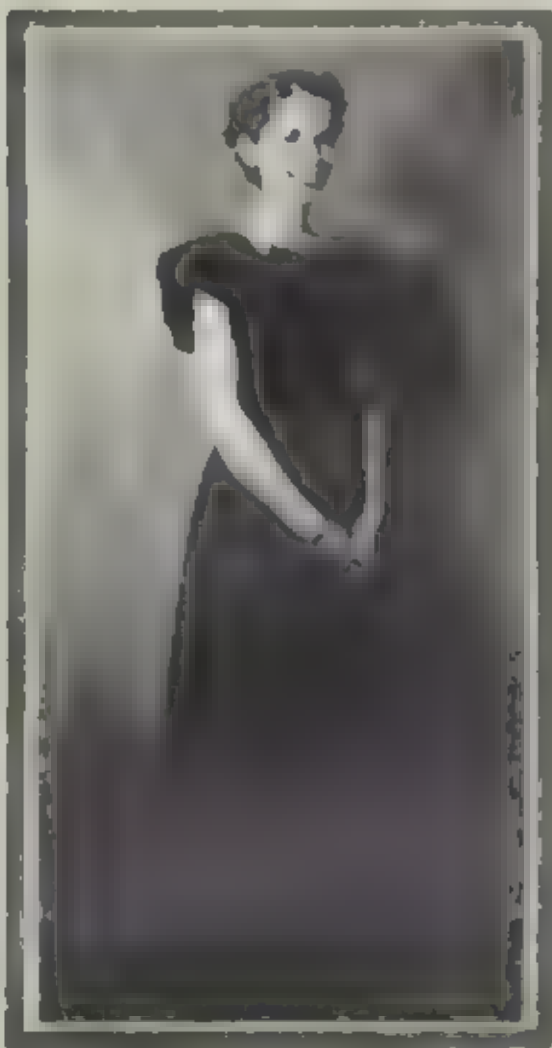

The Round Table Literary Society had a very successful year and wishes to thank all who made it so.

1938 marks the completion of the fifteenth year of the Speech Arts Club as the outstanding dramatic or-

ganization of Westport. The club has ably fulfilled its purpose in offering opportunities for its members to further their dramatic and public speaking ability.

In celebration of its fifteenth anniversary, the club held a birthday program-tea and invited all members of the speech department. In the Eighth Annual Patriotic Oration Contest Robin Humphrey, Richard Petri, and Robert Hooton ranked highest. Other interesting programs showed unusual skill in the interpretation and presentation of plays, readings, poetry, and dramatic sketches.

The leadership of Richard Spooner, Joan Hirsh, Betty Messick, Sara Kusnetsky, and Sanford Simon, the wholehearted co-operation of all the members and the club sponsor, Miss Keeler, and the willing assistance of teachers have made the club a delightful and worthy organization.

1937-38 has been a notable year in the accomplishments of the B. C. P. Science Club. The custom of

membership pin was revived early in the year and now the majority of the members are wearing the attractive silver emblem.

The B. C. P. Club was organized in 1910 and is one of the oldest in Westport. It was first limited to Biology and Botany students but was enlarged in 1919 to include other branches of science, and is now divided into the following groups: Botany, Biology, Chemistry, Physics, Physiology, Physiography, and Zoology. Under the direction of the Vice-President, the programs are planned and presented by the different departments, so as to make them varied and interesting to all the members.

Acknowledgment is made to our genial sponsor, Miss Bechtel, whose untiring efforts and assistance have contributed to the success throughout this club year

En 1927 Les Immortels fut organisé dans le but de donner aux étudiants l'occasion de parler français hors de la salle de classe.

Les séances, qui sont conduites en français, sont très intéressantes et amusantes. Des discours sur l'histoire française et sur des peintres française ont été présentés pour le cercle. Une expedition au Musée d'Art Nelson a été faite par le département de français.

Le cercle entier a participé à chanter des chansons françaises, et on a servi des rafraichissements à quelques unes des séances.

Le cercle est fier d'avoir comme conseillère Mademoiselle Collins qui s'est montrée une aide splendide dans nos activités.

One of Alpha Lyra's most successful programs this year was November 12th when we joined the Speech Arts Club for a combined meeting at the William Rockhill Nelson Gallery of Art. A guide, furnished by the Art Gallery, discussed the paintings of the eighteenth century, and a program of music of that period followed in Perkins Hall.

The Candid Camera Club is a new service club organized this year for two purposes, namely: to assist the Herald staff in obtaining pictures for the year book, and to arouse student interest in photography.

Membership in the club is open to any student able to meet the scholarship requirements. Meetings are held every other week, on a day convenient to the members.

Candid Camera Club photographers helped this year in the production of the Herald. Delmont Durham served as Herald staff photographer; Richard Southall took the silhouette pictures that appear in the Tiger Tales section; Phil Riegelman, Jim Bliss, Jim Smith and various others snapped the candid camera shots that are scattered throughout the book.

The club has made only a beginning this year, but big things are planned for the future. Miss Bonney, Herald adviser, serves as the club sponsor.

The Jules Guerin Art Club was founded December 15, 1922, by a group of art students in Westport. Its purpose is to further interest in art and all things related to it. All members must have completed one term of art work and must be taking an art course at the time of membership.

On November 12 of this year, the Alpha Lyra Club and Jules Guerin, accompanied by their advisers, visited the William Rockhill Nelson Gallery of Art. The members of Alpha Lyra, afterwards, presented a musical program.

The Jules Guerin members have always taken an interest in the crippled children of the University of Kansas Hospital. On December 22, a group of members paid a visit to these children, taking small gifts which were contributed by all of the members. In February, Valentines were made and presented to the children.

Many reports on various artists and designers have been given throughout the year.

As the members of the Jules Guerin Art Club close another year, they know the satisfaction of work well done and they wish much success to those who will carry on in the future.

The Stage and Screen Club is under the sponsorship of Mr. Fossum, Mr. Long, and Mr. Miner, to whom

the club owes much of its success.

The club is divided into two groups: the Stage division and the Screen division. Under the Stage division are the script, lights, house crew, prompters, scenery, property, makeup, and costume. The Screen division is divided into the movie operators, and slide operators.

The club has assisted in class rooms by operating slide and movie machines, and during the last school year, has aided in producing the Fall and Spring plays, the Westport Hi-Larities, Westport on Parade, the Fashion Show, assemblies, and the Speech Arts Club programs

In its five years the Stage and Screen Club has grown steadily in importance and in the scope of its service.

The purpose of the Health Service Club is to give health knowledge to its members in order that they may serve others as well as themselves. To do this, the club studies the health problems related to high school students.

The speakers during the year were: Dr. Leo Polsky; Miss Pattric Ruth O'Keefe, assistant director of phys-

ical education; Miss Helen Templeman of the Templeman School of Beauty Culture; Miss Irene Swenson, superintendent of Nurses at General Hospital; and Miss Lela Rahe, instructor of Nursing and Biology at Junior College.

At different times, the club went on excursions to Bell Memorial Hospital, the Country Club Dairy, and the Niles Home for colored orphans. Three parties were also held during the year.

Miss Morgan, the school nurse, was assisted in the Health Center by Betty Laughlin, Thea Larson, Helen Heathco, Jean Norwood, Marie Paik, and Charlotte Cooper.

The emblem of the Health Service Club is the lamp of Florence Nightingale.

Much praise and commendation are due Miss Morgan for her able sponsorship of the club. Her efforts to make the club an interesting and successful one have not been fruitless.

Once more the Westport Hi-Y Club has completed a year of successful inspirational and educational activity for its members. Again this finest of boys' organizations in Westport has produced the outstanding leaders in curricular and extra-curricular activity

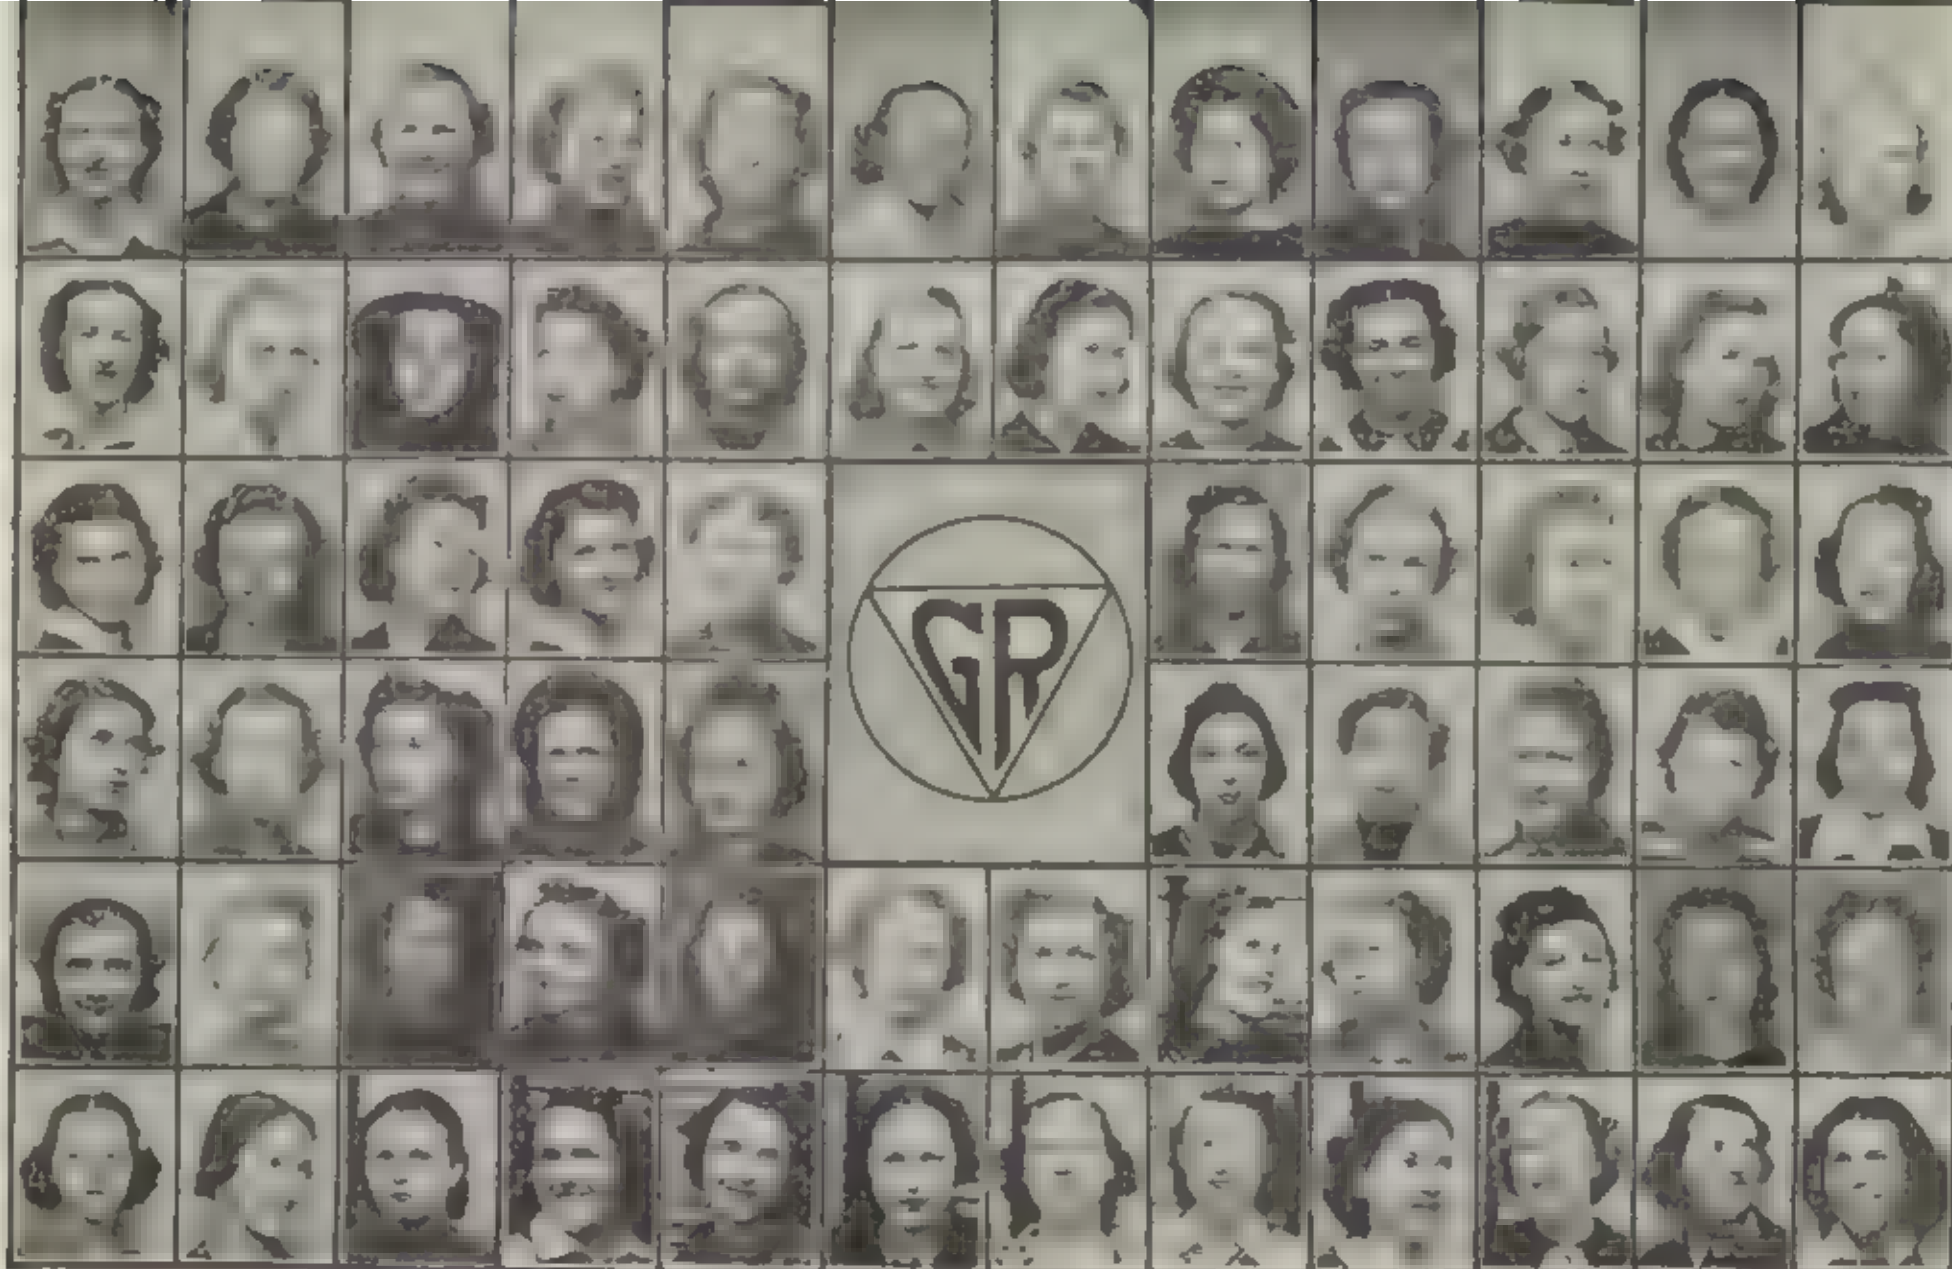

fields, including the most important positions on the Herald and Crier Staffs. We are justly proud of our record, proud of our continued success.

Most Westporters believe that the most successful of this year's assemblies was the one presented by the Hi-Y Club on March 3; this included the well performed play, "He Got the Job," and two piano numbers by our faculty adviser, Mr. Crocker, and a former Hi-Y member, Junior Jenks.

The work of the actors in "He Got the Job" was so distinguished that the cast was requested to give additional performances at Southwest High School and at a P. T. A. meeting.

Throughout the year meetings featured educational student panel discussions and inspirational speeches by eminent citizens of this community.

The members of the Hi-Y feel that any progress whatsoever made this year has been due to their congenial and stimulating leaders, Mr. Crocker, Mr. Spring, and Mr. Johnson of the Y. M. C. A.

AUTO CLUB

In connection with the introduction of various programs for traffic safety in high schools throughout the country, this year Westport organized the Westport Auto Club. The aim of the organization has been to prepare students to shoulder the responsibilities involved in driving and to encourage the formation of safe driving habits.

Interesting discussions on topics relative to driving have been held; informative talks have been given by club members, and by several outsiders including Mr. Frank Lynch, head of the Kansas City Safety Council. Through the Auto Club, more than 800 Westport students had the opportunity of testing

themselves on the Reactometer. This machine measured the time used by the individual in reacting to signals of danger while driving.

One of the highlights of the year was an entertaining assembly presented by the club, featuring a mock trial which delighted the audience.

Although much of the time this first year has necessarily been given to organization and experimentation, the members feel that the traffic safety program of the club has already been of great benefit. It is certain that with the continued co-operation of the able sponsor, Mr. Carmichael, and all the members, the club will make great progress next year.

FALL PLAY

Westport again excelled in choosing and producing "Dulcy," a comedy in three acts by George S. Kaufman and Marc Connelly. The success of this play was due not only to the splendid work of the director, Mr. Fossum, but also to the outstanding cast. The leading lady, Robin Humphrey, filled her role expertly as the vivacious and trouble-loving wife of a much harassed business man.

The fine cast, able technical crew, and enthusiastic audience carried the play through to a successful finale.

"Take My Advice," by Elliott Lester, was expertly directed by Miss Keeler, who is well known for her ability. This brilliant comedy full of sparkling dialogue and clever acting was presented before a large and receptive audience. The play, an American comedy in three acts, presents the hectic lives of the Weaver family in which Pa deals in fraudulent stocks, Ma has a weakness for numerology, Brother is engaged to the town vampire, and Sis is bitten by the stage bug. Out of this complicated plot Professor Clement leads the family to sanity.

WESTPORT HI-LARITIES

On the nights of March 11 and 12 the faculty and the student body joined their efforts in producing one of the best attractions of the year, the Hi-Larities of 1938. The cast of this show, which took place in the Westport Auditorium, was made up entirely of student talent, and from the time the curtain went up on a lovely Hawaiian scene until it dropped before the colorful finale, the audience was highly entertained. The variety and color in the different scenes made the show worthy of being **classed as one of the successful activities of the school year.**

The Hi-Larities, which was ably directed by Mr. Crocker, presented itself in the form of a newspaper called "The News Suppressed," and the activities carried on by this paper were interpreted into dancing, singing, playing, and music. For instance, under the society notes the reporter took the audience on a vacation in Hawaii and there they were introduced to soft music, moonlight, and dancing couples. From there the reporter took them down south where they joined a group of Negroes singing their typical songs. Such scenes as these were presented effectively, as all **will agree.**

The Westport Hi-Larities, which has been produced for three years, is now classed as one of the main events of the year, and it is hoped that the success that it has previously had will continue in the future.

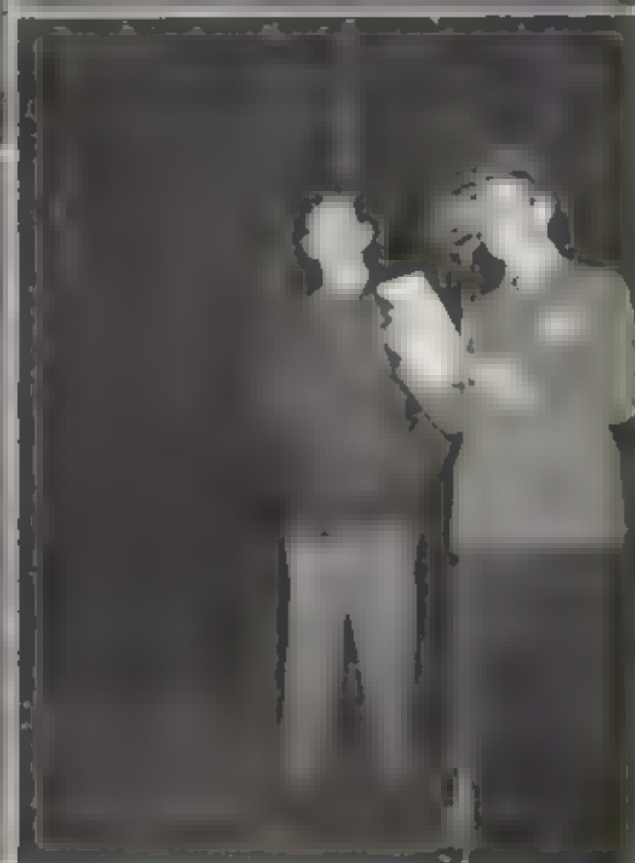

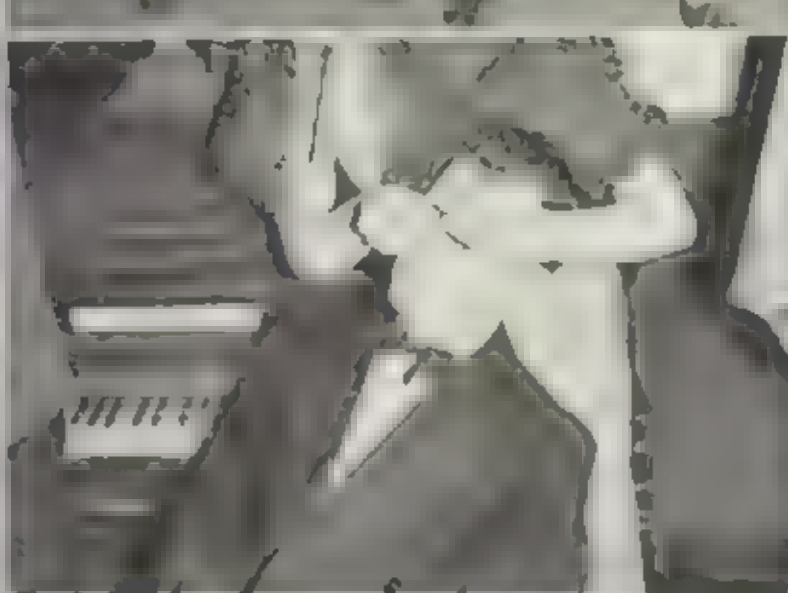

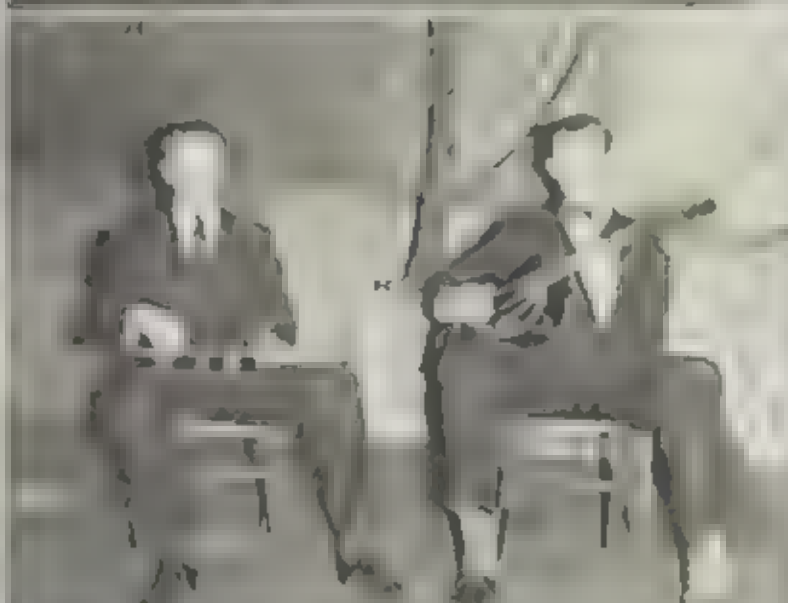

HI-JOLLI-FOLLIES

The Hi-Jolli-Follies, a new and entirely different activity in Westport, was presented this year in the hopes of securing additional funds for furthering Westport projects. The name Hi-Jolli-Follies was decided upon by a contest in which this name was suggested by Catherine Ann Mandl.

This program may well be called an all Westport production, since the talent from both Junior and Senior High Schools was combined into a splendid, fast moving show of dancing, singing, orchestra music, band music, and humorous skits.

The purpose of raising this additional money was to improve our Westport Band which has long been considered one of the finest in the city, but which is now seriously in need of additional instruments, instruments too large and expensive to be furnished by the student.

Miss Shelley, Miss Card, Mr. Crocker, Mr. Spring, Mrs. Shuler, and Miss Bradley should be thanked for their work in sponsoring such an enjoyable and successful entertainment. They, however, expressed their great appreciation for the cooperation received from the students, placing a great deal of credit on the splendid work of the Westport student body.

The above students are members of the public speaking classes who have participated in extra-curricular speaking campaigns for their school and community. They have shown loyalty and ability in home room speeches, in debating, in the constitutional oration contest, and in special radio broadcasts.

PUBLIC SPEAKING AND DEBATING

The American Legion again sponsored a Constitutional Oratorical Contest for high school public speakers. A number of our students entered, and from them was selected the speaker to represent Westport. This honor has been won for two consecutive years by our top-ranking speaker, Martin Cohen.

This year great interest was shown by a large number of students in the debate question, Resolved: That the several states should adopt the Unicameral System of Legislature. Westport debated William Chrisman, Paseo, Manual, Central, Southwest, and De La Salle. Although no decisions were handed down on these debates, we feel proud to say that Westport attained her usual high standard.

This department has shown a splendid willingness to co-operate in advertising school activities, namely, the sale of activity tickets and of Hi-Larities tickets. A series of speeches on safety was given in behalf of the Auto Club, and another series helped to interest students in the Charity Campaign.

Coach Bourrette

Coach Chubb

Coach Bourrette

This is Coach's second year at Westport. At Cameron, Missouri, he developed a fighting spirit and winning teams, and he has carried on here. The football team, although not as successful as last year's team, compiled a commendable record. It is the policy of Coach Bourrette to give every boy an equal chance; even lettermen must earn their positions the following year.

Not only is Coach Bourrette a fine football man, but he is also a builder of high moral character. The boys know him as a "regular guy"; all who know him recognize his ability, and wish him continued success.

★

Coach Chubb

Coach Chubb's winning personality and fine coaching ability have brought the Tigers to the front in the basketball "wars" during his two years at Westport. The team this year has the enviable record of defeating the three teams that tied for the championship. Twice have Coach Chubb's basketball teams finished second in the league; both years Southwest has been the villainous team that has toppled Westport from the championship. It is sincerely hoped that Coach will carry on the good work, overcome the Southwest jinx and elevate the Tigers to first place.

FOOTBALL

Westport 6 Paseo 0

A green Westport team upset the heavy and highly favored Pirates from Paseo. This game, played after two weeks' postponement, found the Tigers in near perfect condition. The Bengals played smart ball, stopping many drives of the heavier Pirate team. The game was featured by Dick Florea's 67 yard run to a touchdown in the third period. This one run showed perfect blocking by the entire Westport team. After gaining this lead the Tigers played a good defensive game, holding on to the 6 point lead to start the season with a victory.

Westport 0 Central 13

The champion Blue Eagle team had a tough afternoon defeating the Tigers. Central outweighed the Westport team about 10 pounds per man. This advantage showed plainly, as the Eagles ripped the Bengal line for many large gains. However, the Tigers held the Centralites for four downs on their own 5 yard line during one stage of the game. The Central touchdowns were scored by recovering a Tiger fumble on the 34 yard line and by converting an intercepted lateral on the 15 yard into scores.

Westport 0 Southwest 19

Westport started this game determined to revenge a defeat suffered last year which took away the championship. However, the Indians clearly gave the Tigers a lesson in football. The Bengal offense could not get organized; the backs and linemen did not seem to work together. Crouse gave the crowd some thrills by long runs, but his efforts could not be converted into touchdowns. In one part of the game Southwest held the Westport team for four downs on the 1 yard line. The Indians scored as a result of two recovered fumbles and an intercepted lateral.

Westport 7 Northeast 0

This was the one great game of the year for Westport. Northeast's highly touted backfield was stopped time after time behind its own scrimmage line. The Tiger backs smashed the Viking defense for many long gains. Webster proved the hero as he recovered a disputed ball on the Northeast 11 yard line. The Bengals then rose to heights and smashed Llywelyn over for 6 points. Nielsen converted the extra point. An unusual feature of the game was that Westport used only one substitute during all four quarters.

Westport 0 East 7

Snow covered the playing field for the last game of the season. East's tricky spinners dented the Tiger team for many long gains which resulted in a touchdown in the first quarter. However, after gaining this quick advantage, the Bears were not again able to advance the ball with any success. The Tigers tackled with sureness, but these tackles neither advanced the ball nor helped the offense which failed to click. The quarters were shortened because of the condition of the field.

SECOND TEAM FOOTBALL

A team is only as strong as its reserves. Because of this well known fact, Coach Bourette has a policy of developing sophomores. He gets boys who are interested in football and plays them as one unit, so that they can get the knack of working as a team. Then games are scheduled with the sophomore teams of other schools. By playing together the boys are able to learn each others' peculiarities under competitive play. It stands to reason that by the time the boys are Juniors and Seniors they have a complete knowledge of football fundamentals.

Any sophomore boy interested in football should talk to Coach Bourette, who will do his best to help the boys enjoy this fine sport and to give Westport winning teams.

Top, left to right—Alexander, a star on performer at guard. Action under the Westport goal in the Manual game. Hendricks, a Junior, a great player at center who will return to star next year.

Bottom, left to right—Svermin, Westport's outstanding forward, a returning letterman. Flyweyn, a guard and a defensive star. Stock, a Junior, a steady guard. Becker, a sure shot forward.

Top left to right—Nilsen, a forward, and a scoring star Heinz No. 30, taking a shot in the Central game. Heinz, the one and only "Pickles," a sensational all round player.

Bottom left to right—Flores, a returning Junior and a future mainstay. Crease the fleetest—a steady forward. Slusher, the regular center who uses his height to good advantage. Peaster, a successful first year man.

BASKETBALL

Westport 18 East 14

The opening league game of the season for our Tigers was with the favorite Bears from East. The game was forecast as a real battle, with East High winning. It seemed that our boys had a different idea. They played a brand of ball that was full of determination. The game started slowly with neither team showing an advantage. However, the combination of Nielsen and Silverman at forwards was too much for the Bears as Westport won 18 to 14. East, incidently, was one of the teams that later tied for the championship.

Westport 28 Paseo 26

Paseo, the team that later tied for the championship and played in the state tournament at Columbia as a result of the play-off, was Westport's next victim. The game was regarded as a toss-up. However the Pirates from Paseo flashed playing ability that sent them into a 17 to 7 lead at the half. The Pirates seemed to do everything correctly. The second half was a different tale. With Heinz, Nielsen and Silverman leading a scoring attack and Llywelyn starring at defense, the Tigers closed the scoring gap. This rejuvenated outfit from Tigerland forged ahead and held the lead, winning 28 to 26.

Westport 19 Central 33

The Blue Eagles from Central High forced Westport out of first place. The Central quintet had their one "hot" night of the season. Led by Brenton, their tall center, the Centralites played an aggressive brand of basketball which disorganized our team play. The Tiger offense could never click, which was evidenced by the large number of fouls committed by the Westport basketekers. Silverman, the Tiger's stellar forward, was ejected from the game in the third period because of personal fouls. When this player left the game, the team spirit of the Bengals was noticeably lacking as Central went on to win handily 33 to 19.

Westport 30 Southwest 36

The Indians, a team that had failed thus far to register a win, won this game from the Tigers as a result of their aggressiveness. The Southwest team always seemed to be plugging away, hitting baskets until they had a large lead. This loosely played game shoved Westport into third place. Our boys weren't what you would call "cocky", but they did not seem to be completely organized. At times the Tigers would put on a spurt, but their rallies fizzled out. "Rollie" Nielsen played his last game for Westport in a starring role. His 11 points, however, were not enough to stop a Westport defeat that went down in the record books as a 36 to 30 victory for Southwest.

Westport 14 Northeast 18

This game again marked faulty scoring and passing ability on the part of the Tigers. Time after time the Viking players broke up Westport passing plays. Scruby stood out on the Northeast team as a good defensive player. Nielsen's absence was noticeable in the scoring total of Westport. Our boys played a steady game but could not put on the finish that was needed to win.

Westport 31 Manual 19

This game was the climax to a season which can be classified as unusual, because of the fact that the Tigers defeated the three teams tied for first place and lost to the three teams at the bottom in the final standings. Coach Chubb started a team that was composed entirely of Juniors and a Sophomore, Fred Bouldin. This team started a winning stride by ringing up an 8 to 0 lead in the first four minutes. Coach Chubb then sent his reliable guards Llywelyn and Heinz into the game to try to protect the lead. But the team continued to ring up baskets until they had a comfortable lead. The audience applauded the fine team work as time after time the Tigers worked the ball in for perfect set-ups. No one player can be singled out as a hero, because it was pure team work and aggressive play that won.

SECOND TEAM BASKETBALL

According to the words of Coach Chubb, "Next year's team will be pretty good, if all the boys remain eligible." This conclusion is based upon this year's second team, which lost only two games, finishing in second place in the Interscholastic League Second Team division. All members of the team that started the final game against Manual will return next year. There are several boys from the second team group that will be watched with interest; among them are Kander, Davies, Bouldin, and Greenberg.

The Tigers played five non-league games. These games served to give the boys experience. The team journeyed to St. Joseph, Mo., to play games with Benton and Lafayette on successive nights. The trip was fine, except that the team lost both games. Washington Rural was trimmed early in the season by our Bengals. Ward and Rosedale gave the Tigers defeats, but the experience gained will help to build an excellent team for next year.

TENNIS

Westport had its usually brilliant tennis team. Sanford Panich annexed the interscholastic league singles title, while David Selders and Henry Hartfelder captured the doubles title. The team this year was composed of smooth-stroking players who gave an exhibition of real tennis. Jack Ormsbee, a Junior and a Junior Davis Cup player, showed real ability. Joe Osborn, a mite of a fellow, proved a giant-killer by his aggressive play.

Mr. Fristoe again ably coached the tennis team, and conducted a spring intramural tournament. It is through competition in these tournaments that prospective players are discovered.

GOLF

Westport's golf team was not up to par this year. Paseo's smooth-stroking team captured the championship. The Tigers played their hardest but they didn't seem to have the natural ability. It takes constant play to improve your game, and that is one thing that was lacking on this squad. This team finished fourth in the Interscholastic League. The eight-man match with Shawnee-Mission ended with the opponents having a 100 stroke advantage.

Mr. Harris, golf coach, directed a spring putting tournament to help the players' game. Also, he has worked to develop some promising sophomores, so Westport's future in golf will be brighter.

INTRAMURAL SPORTS

Intramurals at Westport consist of physical competition between students who do not engage in major sports. These tournaments offer an opportunity to a great many boys to participate in athletic events, and arouse much student interest. The boxing tournament had a full house on each of the five afternoons of competition. All of these intramural sports deserve fine attendance, for the

boys play their hardest, with no thought of recognition.

A major factor in the success of these activities has been Mr. Kennedy's ability to arouse the interest and enthusiasm of the participating students. Fine assistance has been given Mr. Kennedy by student managers Harry Box and Carl Kiser.

COACH KENNEDY AND INTRAMURAL WINNERS

The new head of the intramural department is Mr. Kennedy, who has had wide experience in this field. At Warrensburg High School he coached basketball and track with great success. Here

at Westport, he has conducted the various before- and after-school intramural tournaments, has coached swimming, volley ball and softball, and supervised other sports.

The senior hockey squad had little difficulty this year in winning their third consecutive class championship, thus obtaining the honor of having their class name inscribed on the silver athletic cup. The final team standings were as follows:

Team	Wins	Losses	Ties	Per Cent	Total
Seniors	4	0	0	1000	29
Juniors	1	2	1	33	17
Sophomores	0	3	0	0	1

The ease and facility with which the Seniors swept to victory was due partly to the unexcelled coaching of Miss Constance Applebee, L.L.B., of Bryn Mawr College, who is internationally known as the foremost women's hockey coach of the present day.

Southwest entertained Westport at a hockey playday on Saturday, November 13. Teams from both public and private schools were present and competition was very strong.

Juniors	1	3	.250	87
Sophomores	1	3	.250	7.

Westport played the alumnae in a night game, on Wednesday, December 22. Although the girls on the alumnae team played exceptionally well the Westport girls finally got the upper hand and won the game by a large margin. After the game, refreshments were served and the girls' orchestra furnished some dance music.

Saint Mary's Convent and five Kansas City high schools were entertained at a Westport playday on Saturday, January 25. After a strenuous morning of basketball, luncheon was served in the cafeteria with several after dinner talks by various officers of the Physical Education Department of Kansas City.

To win a Senior Athletic Pin, the highest and most coveted honor in the Athletic Department, a girl must have obtained six "W's", and one of these during her senior year. The giving of "W's" in the major sports, hockey, baseball, basketball, tennis and swimming, is based on three things: first, ability of the girl; second, her sportsmanship; and third, her scholarship.

Miss Florence Bradley and Mrs. Helen Shuler, our two coaches, have done everything this year to make our athletics more enjoyable and interesting. Both are teachers of exceptional ability, and it is to them that we owe most of the success of this athletic year.

Every year a manager for the hockey, basketball, and baseball seasons is chosen. Miss Bradley and Mrs. Shuler strive to select three girls who are very fond of these sports and whose qualities of leadership and dependability have already been recognized. For the year 1937-38 the managers chosen were: Hockey—Gloria Gott, Basketball—Rita Schroer, Baseball—Martha Anderson.

TENNIS

The Herald goes to press before the tennis season is finished. Therefore recognition is here given to the 1937 champions. Martha Smith, '38, won the singles championship, with Jean Anderson, '37, runner-up. Dorothy Hendrix, '37, and Mary Zimmerman, '37, won the doubles championship, with Mary Trout, '39, and Frances Terry, '39, runners-up. Those mentioned above, the finalists, are awarded "W's", provided their grades average M or above.

Tennis is one of the most popular sports taught, and all of the gym classes eagerly await the spring class and school tournaments. Some four hundred girls are coached in the physical education classes by our very efficient teachers, Miss Bradley and Mrs. Shuler. Each tennis stroke is carefully analyzed and perfected, so that by June each and every girl is able to play fine tennis.

R.O.T.C.

THE PURPOSE OF R. O. T. C.

The R. O. T. C. had its inception in the Morrill Act of 1862. Certain provisions of this act required that colleges and universities which had received grants of public lands from the government should in return for this assistance include a course in military training under government supervision in their schools. Later during the World War it was perceived that all schools, public or private, offered a select field for the training of officers for our forces in time of war. Thus, R. O. T. C. was established in our high schools and secondary schools as well as land grant colleges.

Contrary to popular opinion R. O. T. C. does not create in the student a longing for war; that this subject militarizes youth has been repeatedly proved false. As a matter of fact, familiarizing the student with the modern methods and weapons of today has proved a sobering offset to any romantic conception of war. The result of R. O. T. C. is significant to one who has entered into it. It develops the student physically, it promotes in him the virtues of discipline, self-control, resourcefulness in emergencies, teamwork, respect for his fellowman and for legal authority. The mission of the R. O. T. C. is in itself a refutation of the old belief that R. O. T. C. is training primarily for war.

In brief, R. O. T. C. helps to create high minded gentlemen who will succeed in life and make good citizens.

THE DRUM AND BUGLE CORPS

Under the capable leadership of our band officer, Lieut. J. M. Yost, and our Drum Major, Sgt.-Maj. G. Toole, our corps had its greatest year since its inception. The corps, with its gold helmets and blue and gold drums, presented a picture of precision on the parade ground.

The Drum and Bugle Corps marched with the Bland Post of the American Legion in the Armistic Day parade and was a credit to the battalion.

The climax of the corps' year came when it played for "The March of the Wooden Soldiers," Westport's original production in the annual R. O. T. C. Circus.

THE RIFLE TEAM

INCIDENTS IN R.O.T.C.

This year, the rifle team under the leadership of Capt. Morgan and Sgt. Morris placed high in the various inter-scholastic meets and, finally in January, the team fired in the City Match. Due to the loss, however, of their excellent sophomore shot, Greenamyet, the team did not place as high as was expected.

For the first time the entire battalion was enrolled in the National Rifle Association and many medals glistened in the sun as the government inspector made the annual corps area inspection for honor school rating. The officers of the club this year, were: Sgt. Brown, President; P. F. C. Beeman, Vice-President; Corp. Eckaus, Secretary; Sgt. Nelson, Treasurer.

The annual goose shoot was held and most of the battalion participated. The inset shows the winners: Capt. Morgan won the senior goose, Sgt. Riegelman the junior goose; P. F. C. Greenamyet, the sophomore goose; and P. F. C. Kaufman won the booby prize.

The Military Ball, held in February, was a huge success, due in no small measure to the excellent co-operation of the Mothers' Military Auxiliary. Martha Smith was chosen queen by the seniors of the battalion.

As the Herald goes to press, the officers tentatively chosen for Field Day are: Capt McCormack, Crack Company; Lt. Spoor, Crack Platoon; Corp. Ingraham, Crack Squad.

The Art of Sandwich-Dating

There comes a time in every girl's life when she faces the momentous problem of dividing her undivided attention equally between two men.

What a noble institution is the Sandwich-Date. From whence it originated we may only surmise. Perhaps it arose from the bashfulness of the male gender, or from a firm belief in the old maxim about "safety in numbers." However, the most logical supposition as to its original foundation is wholly economic. When one guy has a date and twenty-five cents, he finds it necessary to budget his finances to some extent; but, when *two* guys have twenty-five cents, the total reaches fifty cents and eliminates all worry and undue skimping.

It's really very simple, this Sandwich-Dating. The two slices of bread get together and decide they aren't very much good alone, but that a choicey Filling to go between them would put an end to their problem, fulfil their hopes, and make a swell sandwich. The survey of Fillings begins: She must be of just the right consistency so as not to adhere to one piece of bread more than the other (if you know what I mean); she must be young, fresh, and tender, and, preferably, she will possess that certain spiciness which will lend zest to the whole sandwich.

Few girls can perform the above-mentioned act of dividing their undivided attention. (Try it yourself.) It's an art. There are a few little artistic touches which make that shade of difference between a successful Sandwich-Date and the kind that makes you feel as if you have indigestion. The main one being—that, when the girl is holding both boys' hands in the show, she must remember to squeeze them at different times. Otherwise, the boys will turn simultaneously to gaze adoringly at her and find themselves staring into each others faces. They might put two and two together and get wise (I mean, 4).

Anyhow, the Sandwich-Date is a popular and convenient form of recreation, and long may it live!

YE SENIOR WILL

We, the Seniors of 1938, being of one mind, and still in full possession of the Faculty, do herewith draw up our last will and testimony:

To the Juniors we leave the request to "carry on!"

To the Sophomores we surrender the boys we've dated all year.

To the Faculty we leave the coming Senior Class and a large bottle of aspirin.

Mary Sproull leaves "with a song in her heart."

Viola Hamilton leaves with her car—start walking, boys!

Bennett Sims gives his famous herringbone suit to some envious underclassman.

Jack Richardson leaves nothing—he takes Kay with him.

Miles Blum finally leaves—

Bettie Coffin leaves her flirting technique to Mary Case.

Bill Launder leaves on a run—after the girls.

Martha Fairhurst bequeaths her political pull to Maxine Fuller.

Janet Twichell gives Stanley Stuart back to the Sophomore girls as a farewell gift.

Bill Spoor leaves the remains of his "limousine" to anyone who will take it.

Martha Smith bequeaths her punning prowess to Maudie McMaster.

Neill Campbell departs, still wondering why he never got his name on that list called "Honor Roll."

Tom Kalthorn leaves to teach a correspondence course on "How Not to Write Notes."

David Becker bequeaths his individual walk to any Junior who will accept it.

Ralph Czarlinsky leaves his "modest" air to Fritz Murdock.

P. S. - Don't worry

Dear Jean:

Well, here we are at the end of another year again - they get shorter all the time. I certainly hope we have more elements to gether next year. The office hasn't given us a break yet. I never will forget all the fun we have had to gether this year and here's hoping for lots more next year. Bill ^{maybe} doesn't know it - but he certainly picked a winner this time. Maybe we will see more of each other this summer than we had hoped to - I hope so anyway. Well, there are my thoughts until the edition of next year's Herald

Love

"Gee"

I don't need to wish you luck. It seems to me you have it all. My one ambition is to go on a double date with our two "Bills".

Wishes sound rather flat this evening. I write them but you know how much I think

To you, dear Jean, of "Sweet Sixteen",
I dedicate this humble dream,
and if my words express my thoughts,
You'll know I think of you a lot.

I cannot sleep, I cannot eat,
My face is growing pale,
Your lovely hair and eyes so sweet,
Are driving me to "ale".

But when you smile and laugh so gay,
It makes me feel so "That-away",
That I forget my pain, and feel
That I can eat my evening meal.

Then some sweet day when we are older
I'll come to you, a little bolder,
And there disclose my youthful dreams,
That I so cherished in my "teens".

And then if you will answer, "yes",
I'll strive to make your happiness
Complete, as I so humbly can,
When I reach that "Estate of Man".

And then when we grow old & gray,
I'm sure I'll still feel "That-a-way"
And when our time is up on earth,
We'll hand-in-hand go to our berth.

With Love, Bill Spoor '38
